

## Door Gunst Verkregen - Dutch Barge

£69,950

“Door Gunst Verkregen” is a stunning iron-hulled Dutch barge, built around 1905 by respected yard Wormenhuaed. At 52ft long × 10ft wide, with a shallow draught of just 0.91m, she’s built to navigate canals and rivers with ease. Her robust flat-bottomed hull, single chine, raked stem and elegant counter stern deliver rock-solid stability and classic good looks. Fitted with a tough steel coach roof and displacement hull, she’s engineered to cruise smoothly and last for generations. Registered as BW46650, she stands out beautifully in cream, maroon and black, finished with a practical green aft canopy.

Bonus: Possible 6-month mooring at Saltford Marina — available subject to terms and conditions.

- Dutch Barge
- Iron Hull
- Built by Wormenhuaed
- 52ft by 10ft

## Additional Information

Step aboard “Door Gunst Verkregen” — a true piece of maritime heritage. Dating from 1905 and crafted by Wormenhuaed, she represents the finest early 20th-century European boatbuilding: solid, reliable, and full of character. At 15.76m (52ft) long and 3.15m (10ft) wide, with that shallow 0.91m draught, she’s perfectly proportioned for exploring Britain’s inland waterways — manoeuvrable, stable, and comfortable.

### Power & Living Comfort

Engine: Bussing 85hp — proven, dependable, and easy to maintain

Electrics: 12V system backed by 2 starter + 2 leisure batteries

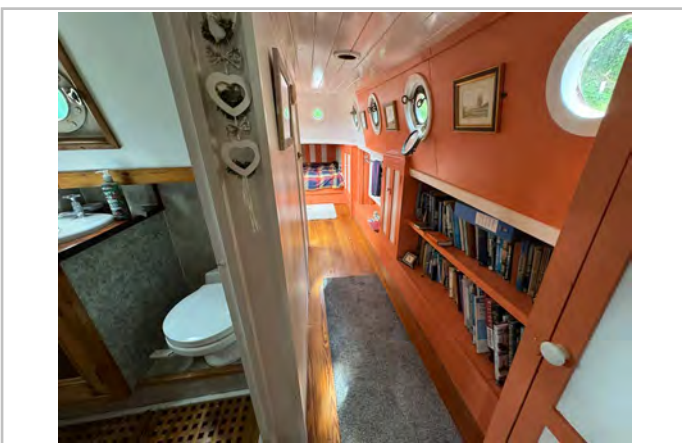

Hot water: Supplied via calorifier
