

Bobcat - Narrowboat

£49,950

Introducing Bobcat, an impressive 58ft Trad built by Mel Davis in 2010. Built with a tug style deck creating additional outdoor space and a large rear sliding hatch allowing for easier access, Bobcat has been well thought out both with design and practicality. A recent hull survey in August 2026 and blacking completed this year mean she is ready for the next adventure.s

- Traditional Stern
- Beta 43hp Engine
- 58ft by 6ft 10'
- Moored in Staffordshire

Please Note:

No guarantee is given or implied in respect of age, specification, condition, suitability for a particular purpose or legal title. All vessels are sold without warranty or condition as to the fitness either expressed or implied by status or otherwise. No appliances or systems have been tested. All measurements stated are approximate. These details are not intended to, and do not, form any part of any current or future contract. In this transaction we are acting as Brokers only. All sales subject to contract. We are relying on information supplied solely by the seller and the Company cannot be held responsible or liable if information is proven to be inaccurate. All information is given as a guide. Plating thickness cannot be measured during Nationwide Boat Sales visit while the boat is in the water and is based on information supplied by the owner. A prospective buyer is strongly advised to check the particulars and where appropriate at their own expense to employ a qualified insured Marine Surveyor to carry out a survey of the vessel. It is ultimately the responsibility of the buyer to ensure that all the particulars are accurate prior or during the purchase of the boat. Nationwide Boat Sales advises that a qualified independent surveyor carries out a full out of water survey for every vessel. RCD (Recreational Craft Directive)
